

Important Client Privacy Policy Information

Our Commitment

NewCarsLowestPrice.com's commitment is to provide and arrange vehicle financing services at the absolute lowest rate available with favorable terms, based on your credit score.

We obtain and use personal information about you to do so. We appreciate and respect the trust you show in providing information to us so we can assist you. We value our relationship with you, therefore, explaining to you how we collect, use and protect information is important to us.

Why We Collect Client Information

We collect client information to identify you and confirm facts about you, which helps us assist your request for vehicle financial products and services.

Client Information We Collect

We get client information from a variety of sources, beginning with our receipt of a completed Credit Application. We will obtain a credit report from Experian Credit Data Corp. If necessary at our discretion, we may obtain credit reports accessed from other providers. Information from your dealings, including vehicle finance lending relationships and other criteria, will determine your credit score based on how you have performed on your outstanding obligations.

Protecting Client Information

Safeguarding client information is important to us. We use systems, policies and procedures to maintain the accuracy of client information and to protect it from loss, misuse, or alteration. Client information is accessible by appropriate personnel who have a business need for the information. We provide training and communication programs to educate our personnel about the meaning and requirements of this privacy statement.

Sharing Client Information

In striving to server you, we often carefully share client information with others so they may help us by providing services to us or by providing services on our behalf or jointly with us to you. **We don't sell personal information about you to any company whatsoever.**

We share information only as permitted by law in an effort to assist you with your request for vehicle financing assistance. We may share client information with select vehicle financial service providers, including a franchised new car dealer. However, you agree we cannot assume any liability whatsoever in connection with your credit information for actions caused by any such Dealer or lender, their privacy policies, procedures and safeguards.

Additional Rights

Some states may provide additional privacy protections under existing or future state laws. We are committed to complying with applicable law when we share client information.

I understand and agree to NewCarsLowestPrice.com's Client Privacy Policy.
